#33 Jonie Block

**Pulaski Academy, Little Rock, AR
Graduates 2008**

When you think of toughness you think of Jonie. She combines speed and power at the fullback position. Nobody was more intimidating and nobody was harder to beat than Jonie Block. She was always willing to do whatever the coaches asked of her without giving it a second thought. Coach Hatcher referred to her as his adopted daughter because of her work ethic and dedication. She was the enforcer on the field and literally would run through a wall if she was asked.
